FAVOURITES

Choose from over 20 standard designs.
Or design your own!

01 | AVALANCHE

Avalanche suspended acoustic dividers are a lightweight, semi-rigid, decorative acoustic screen manufactured with solid colour throughout. They are typically used to improve both the creativity and acoustic performance of interior spaces. Avalanche screens help to improve user privacy and layout of open offices while retaining free flowing workspaces and ease of communication.

TECHNICAL DATA

FIRE SPECIFICATION: EN13501-:2007+A1:2009 B - s1, d0
